## Durham Indoor Market is located right in the heart of the historic and beautiful city of Durham.

It's the ideal all-weather coach-stop for groups passing through or visiting the North East of England.

Situated just five minutes off junction 62 of the A1, Durham Indoor Market is ideal for all of your groups. Built in 1851, the atmospheric and colourful Market is the perfect addition to your tour, being handily placed only a few minutes walk from numerous attractions including Durham Cathedral – where Harry Potter was filmed- the Gala Theatre and Durham Castle.

All you have to do is to drop off right at our doors - we can look after the rest.

## What Can We Offer Groups?

“Durham is an ideal destination for groups, with the Castle, Cathedral, River Cruises and of course quite superb shopping with High Street Shops and the great Indoor Market. We even used it for our Travel Club Free Day Out with 6 coaches visiting on one day. There's a convenient drop off and pick up point just outside the markets and the cathedral bus is ideal for those not so agile to get up to the Cathedral and Castle. Coach Parking is good and central and the facilities get better each year”.
